# Marine Biotechnology Conference 2019

Combining with the 12th International Marine Biotechnology Conference and the 12th Asia Pacific Marine Biotechnology Conference

Sponsorship Prospectus

Dear Colleague,

On behalf of the Marine Biotechnology Conference 2019 Organizing Committee, we would like to extend our sincere invitation for the Marine Biotechnology Conference 2019 (MBC 2019) scheduled to be held at Shizuoka City, Japan (MarinartShizuoka City Shimizu Cultural hall, Shimizu Terrsa) from September 9 (Monday) to September 13 (Friday), 2019.

The MBC2019 host organization, Japanese Society for Marine Biotechnology (JSMB) has more than 30 years history. It was established with the aim of contributing to the understanding and utilization of oceans based on biotechnology and has been playing an important role not only in advancing and disseminating research but also in industries and policies in our country under the industry-government-academia collaboration.

JSMB has contributed to the international community by hosting international conferences, International Marine Biotechnology Conference (IMBC) and Asia-Pacific Marine Biotechnology Conference (APMBC). The MBC2019 will be held as the joint meeting of them in Japan. Both conferences will be the 12th. In 2003, the joint conferences of both international conferences were also held in Japan (Chiba, Makuhari). More than 700 participants from 32 countries attended the MBC 2003 and fruitful and productive discussion in a wide range of research fields was performed. After 16 years, the joint conference MBC will be held in Japan again.

"Next-generation Marine Biotechnology" is the main theme of the conference. MBC 2019 is consists of various sessions including oral and poster presentations and provide a place to promote global research exchanges and the industry-government-academia collaboration.

We are very much looking forward to your participation in MBC 2019 and to welcoming you to Shizuoka, Japan.

Sincerely,

Conference Chair: Haruko Takeyama

(Waseda University, Japan)

Hambo Takyama

Vice-conference Chair:

Hiroshi Saito

(Tokai University, Japan)
